

**FOREST COUNTY FORESTRY DEPARTMENT
200 EAST MADISON STREET
CRANDON, WI 54520
715/478-3475**

TO: PROSPECTIVE BIDDERS OF FOREST COUNTY TIMBER SALES

SUBJECT: 2014 ANNUAL TIMBER SALE OFFERINGS

BID DEADLINE: MAY 5, 2014 4:00 PM

PLACE: COUNTY BOARD ROOM, COURTHOUSE - CRANDON, WISCONSIN

Enclosed are timber sale maps of this year's sales, with a timber sale bid form listing the minimum bids for each timber sale.

I am including one timber sale bid form with each timber sale map. Separate bid forms are necessary for each timber sale. Please compare the tract number at the top of each map with the tract number at the top of the timber sale bid form to be sure you are bidding on the correct timber sale. The bid must meet or exceed the total timber sale value that was advertised.

Please list the tract number of the sale on your envelope when submitting bids. All timber sale contracts will be two years in length. The Forestry Committee may grant a one-year contract extension with a 10% stumpage price increase with prior approval. No contract will exceed four years in length. **Bid bonds will be waived for 2014.** Failure to sign the timber sale contract will prohibit you from bidding on future timber sales. If you are the successful bidder, you will be required to pay a performance bond of 15% of the total bid price at contract signing. You will also be required to provide copies of your SFI training and liability/workman's compensation certificates prior to signing the timber sale contract. **Contracts will not be issued without the 15% performance bond, SFI training certificate and liability/workman's compensation certificate.**

NOTICE: SFI and Insurance certificates must be maintained through the duration of the contract. At least one person working on the sale must be SFI Certified. Please note the payment method for each sale. Lump Sum sales require payment in full prior to starting the sale, or arrangements must be made with the seller to make block payments. Sales using the Mill Scale Ticket System will require the Purchaser to have load tickets sent directly from the receiving mill to the Seller within (10) days. Late load tickets will be invoiced by the Seller at 15 cords per load.

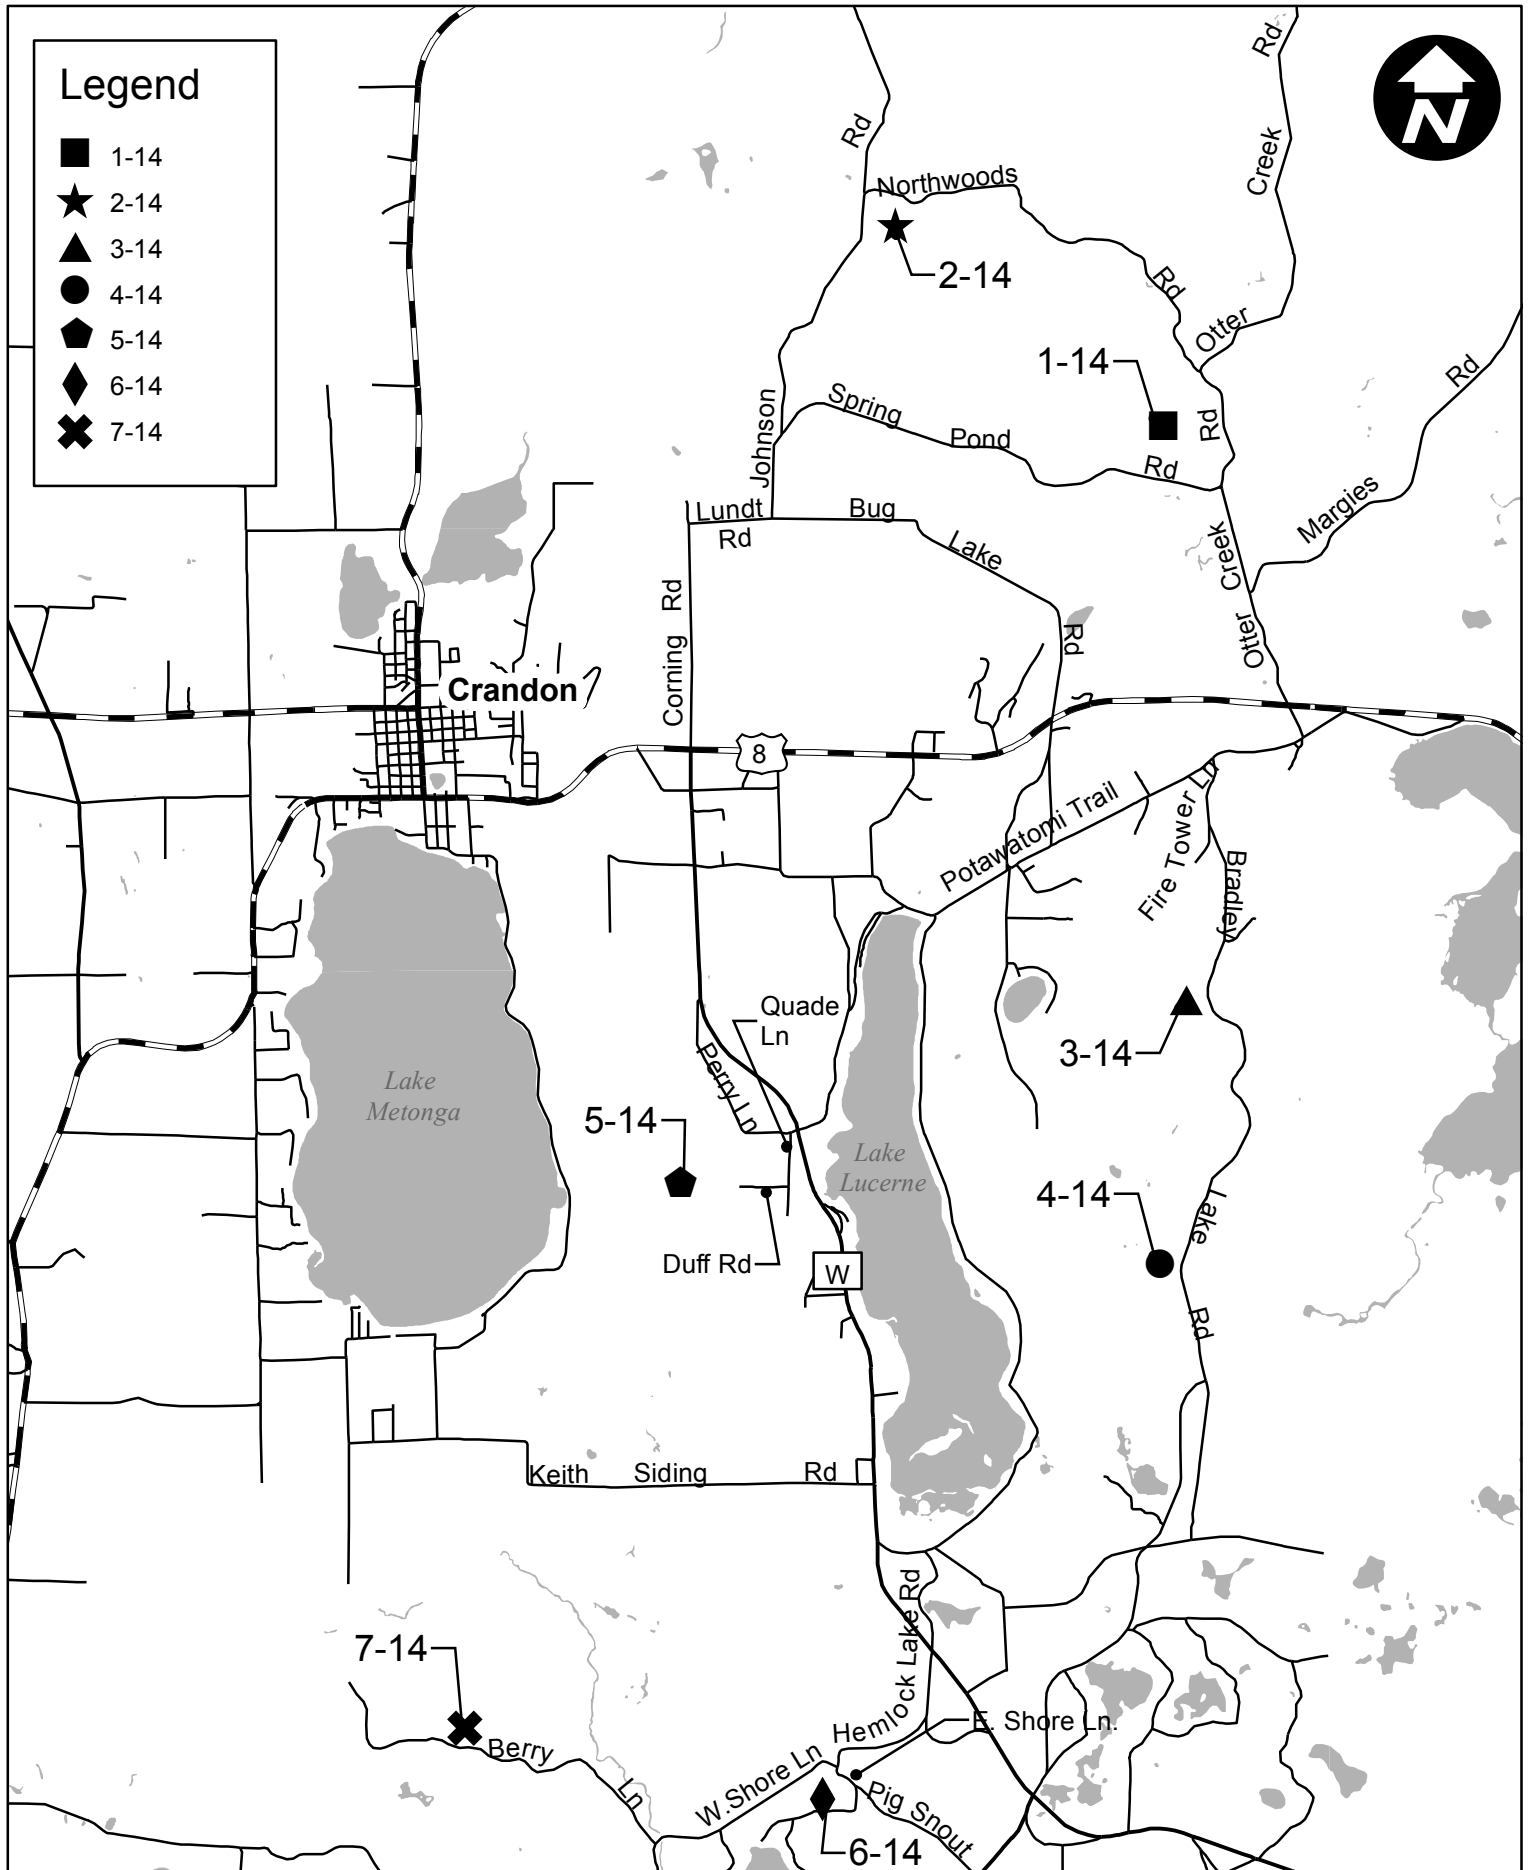

Please remember to complete and return the form on the last page of this handout to remain on Forest County's bid list. If you do not return this form, your name will be dropped from the list for 2015.

All Forest County timber sale maps, bid forms and bid results are also posted online by logging onto www.forestcountywi.com/forestry. Click on the "forestry" tab in the left menu then open "2014 Timber Sales".

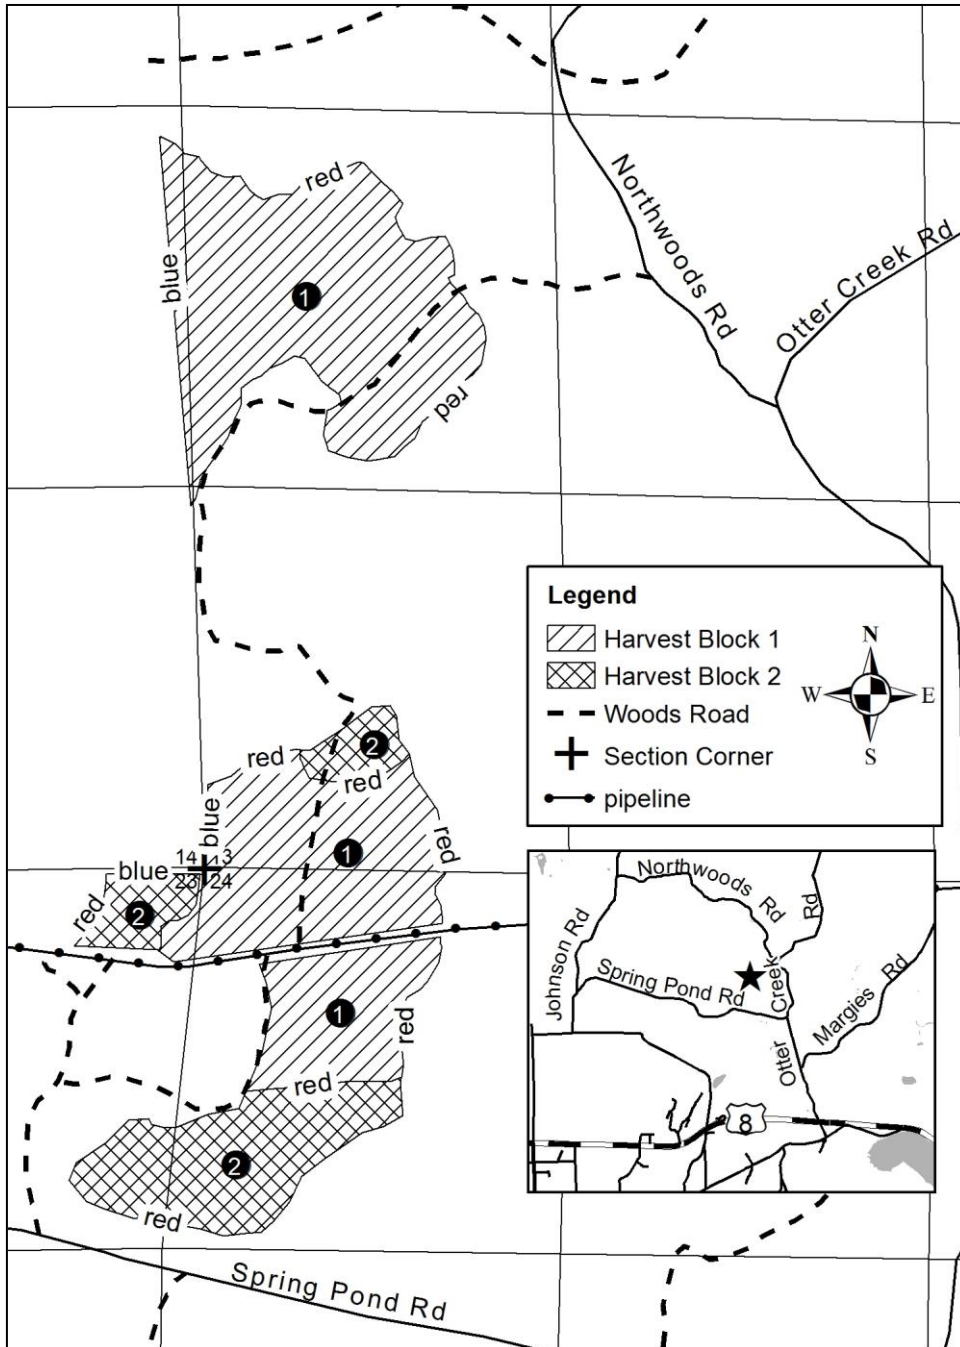

Sincerely,

David W. Ziolkowski
County Forest Administrator
