### **DOT update**

DOT rep did not attend

### **BOTS updates by Mike Panosh**

- Statewide fatalities are unfortunately are up recently.
- Mike will also, at future meetings, show and give information on "Community Maps" which is a website that gives info on crashes and crash data in the State. This may be a very useful tool in the future. Mike will have proper equipment to do this next meeting
- there are no Enforcement Grants available in 2016 for Forest County
- Starting next year there will be no more paper form accident reports accepted
- There is a Safe Ride grant program putting money "out there" for providing safe rides during festivities. Our Off Road race weekends were brought up. Panosh will follow up with Sheriff Dennee on this.

Next meeting date set for May 18th 2016, at 10:00am

Motion to adjourn by Chaney seconded by Stamper. Motion carried
