Town of Alvin-Ward 1 – Total number of voters 31. No outstanding provisional ballots. Inspector's statement is missing pre-election and post-election initials. Tally sheet is missing last vote on poll list. Election Day registration was written on the poll book but should have been added to the supplemental poll list.

Town of Crandon-Wards 1-3 – Total number of voters 54. No outstanding provisional ballots. Town of Crandon reported DRE (touch screen) was not working, all ballots cast on paper. Inspector's statement states 162 ballots cast, actual ballots cast is 54. Total number of voters should be the number of actual voters not the number of voters in the poll book. Tally sheet is missing last vote on poll list. Poll book is missing last voter number and page number of last voter. Page 52 of poll book has signature but no voter number assigned. Missing voter numbers 13 and 44. Called Town of Crandon Clerk, he reported voter on page 52 should be voter #13 and voter #44 is an Election Day registration.
