**DISCUSSION AND POSSIBLE ACTION FLOODPLAIN ORDINANCE.**

Jeannie Fannin informed the committee that we needed to update and re-write our Floodplain Ordinance, as there were legislative changes in 2017 and 2019 that our ordinance does not address. She will get copies of existing ordinance and the DNR model ordinance to the members for review.

**DISCUSSION AND POSSIBLE ACTION ON RECYCLING.**

Jeannie Fannin updated the committee on the hauling charges paid by the County and the Townships. The Town of Nashville requested ideas for lowering their costs as they pay more than other townships at this time. Jeannie had reached out to Republic Services regarding the possibility of a compactor for Nashville's South site. At this time, the cost of compactor rent would be more expensive for the county. Different options were discussed for the Town. Jeannie will be in contact with the clerk to discuss these options.
